

KITS: National Music Theory Honor Roll REGISTRATION FORM

Teachers using the examinations of the **Keynote Independent Theory Service** with their music students may register those eligible for a National Honor Roll of music theory scholars, published once a year on KITS website. To be eligible the student must score 90 or better on an exam. The deadline for including students onto 2025 list is December 1, 2026. Please use the form below, signing your certification on page 2, and mailing it to KITS, Naperville Music Academy, 4260 Westbrook Dr. Suite. 102-103, Aurora Il 60504, or emailing a PDF to kits.hr.exams@gmail.com.

List each student's name, last name first, and give the student's score under the appropriate level. Please write your name and full address at the bottom of this sheet.

The **KITS National Music Theory Honor Roll** offers special awards for students listed in five different years, and for those making the roll on all seven levels of the exams. These awards are a long-term goal motivating students to continue their music education. Teachers should be apprised to keep good records year to year if they anticipate presenting the special awards. Qualifications are as follows:

For the 7-step trophy the student must have made the Honor Roll on all 7 steps of the curriculum, having qualified at the primary step before turning age 13. The charge for the trophy is \$31.

If any of your honor students on the prior page have qualified for a special award, please put an asterisk by their name, and provide below the necessary information to verify their eligibility. For students earning a 5-year medal, give the year they were listed on the honor roll under the level for which they qualified that year. For those qualifying for the 7-step trophy, indicate the year they were listed on each level.
